

# World Convention Report

by Gwen Shaw

It was with expectant hearts that we came up to the Great Feast of the “*One More End-Time Handmaidens and Servants Convention.*” And we were not disappointed! The Glory of God was waiting for us when we got there. As Paul writes to the Thessalonians, “*What manner of entering we had unto you,...for our gospel came not in word only, but also in power, and in the Holy Ghost, and in much assurance.*”

We had a glorious time!

From the opening meeting to the last Amen, the Presence of God could be felt—not only in the Ballroom, but in the entire hotel. Even the staff marveled at what was happening. One of them said that it was the greatest thing that had happened there in many years. There certainly was no sign of depression or economical recession, for the entire hotel was filled. Some late-comers had to go to other hotels.

It was THE GLORY of God that made it so great! HE WAS THERE. We had no world-famous speakers, but we had anointed speakers, singers, dancers, intercessors, translators, youth and children workers, ushers, audio and video technicians, sales people, hosts and hostesses, and GOD TV was there, filming the entire event. The

Ballroom was packed to the door, with our young people having

their own meetings. If you missed it, you missed a little bit of Heaven! I feel so sorry for you. The ONLY THING BETTER THAN WHAT WE HAD IS HEAVEN, ITSELF!

The people came from many nations, from Canada, Mexico, Israel, Europe, Asia, South America and Africa.

The youth came with their energy and worshipped with enthusiasm

End-Time Servant, Apostle Joseph Olangi came with over 100 French-speaking Africans, many of them serving the Lord as missionaries in other nations. One dear lady saw me on God TV in Northern Ireland and knew she had to come.

Beloved the move is on! I hear the rustling in the mulberry trees, and I know the Move is on. You had better get moving, or you will be left behind. I can hear the Glory-Land Train Conductor calling, “All Aboard!” The engine is gathering steam, and the wheels are beginning to turn. One more stoke of coal on the furnace, and we will be pushing away from the earthly train station!

But there is a caboose! And if you are alert, you can have another chance to enjoy the ride — by ordering the entire set of DVDs from us. See page AD1. Get the whole set. It is so inexpensive, when compared with the benefits, the blessings, and the miracles you will receive. And we’ve just slashed the prices!

To all of you who supported the convention, helped us with the many tasks, ministered by word and music, prayed, and supported the ministry with your finances, I am eternally grateful. Great will be your reward for all your sacrifices.

God willing, we are planning for July 6-10, 2010, to be another glorious World Convention at the St. Louis Airport Marriott Hotel.

Mark your calendar now and begin “putting away” for it. Set aside an extra percentage of your increase so that you’ll be able to come up to the “Great Feast” of the World Convention Again in 2010! 🌟

Keith Wheeler encouraged us to choose whether to focus on the fact that “King Uzziah died” or seeing “the Lord high and lifted up.”

Pastor David Grant

Claren McQueen led us into the heavenlies!

Peter Snyder always brings a word of challenge to reach the nations

Interviewing Bert Crevier as he tells of his visits to Heaven.

W.L. Cati shared her story of marrying a Muslim.

My grandson, Toby, was ready to dance every time the music started.

Kamran Yaraei’s testimony of growing up a devout Shi’ite Muslim and meeting Jesus was unforgettable! Get a burden for these sons of Abraham!

God has anointed them to guide our children into a deeper walk with God. They will be working with many of our End-Time Handmaidens who feel the burden for our young people. Classes will be divided by age. The youth and children will be dismissed from each meeting after the song service and special music to go to their classes.
